CONTINUED STATEMENT OF: WAYMOUTH, Monique

7. My next of kin is my partner Mark STRUGAR and he resides with me. Their contact phone number is [REDACTED]
8. I am a qualified hairdresser and am currently working at the Kenmore salon of Epic Hair Designs which is located at the Kenmore Plaza.
9. I know a female client of the salon as Allison. I have worked with her on three previous occasions at the Kenmore salon over the past three months. The salon keeps client records on a software system called 'SimpleSalon'.
10. The girl that usually looks after Allison is Karen MANN and she is currently on holidays. As Karen was going on leave she booked Allison in with me to colour her hair as I had previously serviced her. On the Thursday the 12th of April 2012 I did a tint retouch on Allison's hair. The colours I used were 40grams of 8NN plus 10grams of 8KG with a developer strength of 6% of peroxide. This mixture was only applied to cover her grey hairs which had grown out since her last visit. The grey re-growth was quite big, I would estimate between 8-9 weeks.
11. Allison returned on the 14th of April 2012 and had a 'fix-up' in that she had a semi-permanent colour all over her hair to tone the ends of her hair a bit more so it looked more even in colour. Allison wanted her hair to be blended more. I didn't perform this consultation on the 14th of April or service however I provided advice to Olivia who was responsible for servicing Allison on this occasion. At the conclusion of the 'fix-up' the apprentice, Rachel KEAVENY was drying Allison's hair. At some point during this process Allison has left the salon telling Rachel that she wasn't happy with her hair. Rachel came and told me this so I called Allison on her mobile and checked whether she was happy with everything we had done and she said she was going to let her hair settle over the weekend and see how it goes. She sounded normal and wasn't upset over anything about her hair.

CONTINUED STATEMENT OF: WAYMOUTH, Monique

12. Sometime between the 14th of April and the 19th of April 2012 Allison called the salon to book in to have her foils done. On Thursday the 19th of April 2012 I coloured Allison's hair. This was the second time that I have coloured her hair. This visit was another 'fix-up' in that Allison still wasn't happy with her hair from the previous service on the 14th of April 2012.
13. When she came in on Thursday the 19th of April 2012 I put a few blonde foils in her hair to blend the colour as this was the only way to achieve the colour tone that Allison wanted. Allison came into the salon and seemed a bit stressed just like anyone does after driving in peak hour. She came in and sat in her chair and without saying anything got her hair tie out and parted it on her left side. I said: "Okay let's put in some foils." Allison didn't respond and I went ahead performing the service. I asked her if she had had a busy day and she kind of said "Oh yeah."
14. I asked her if she was still sick because on the service on the 12th of April 2012 she was sick with a cold. I noticed she was still sick so I asked her about it and she said yes she was still sick in a roundabout way and she guessed it wasn't going away and she didn't seem surprised that it wasn't going away.
15. At the end of the service I made sure she was happy with her colour and Melissa HAYS saw her out of the salon. I was curious as to whether Allison said anything to Mel about her hair as she had been unhappy previously. I asked Mel if this was the case and Mel said Allison was happy and they had spoken a bit about the traffic.
16. The next thing I knew about Alison was on Saturday the 21st of April 2012, when Kirsten, who owns the skin clinic in the salon, told me whilst I was at work that Allison was missing.
17. We also have closed circuit television in the salon which I am aware that Brendan MANN, the owner of the salon can operate.
